

In Honour of
H.H. Sheikh Mohammed Bin Rashid Al Maktoum and His Vision

We are proud to present..

THE OFFSHORE ARABIA 2010 Environmental Awards

**"Energy and environment are essential
for sustainable development"**

**Under H.H.'s Leadership and Vision
we are proud to lead towards environmental excellence in our region
and the world at large.**

Future visions and strategies are the corner stones of our mission and our desire for a cleaner and more sustainable environment. Our motto is 'Global Partners for Energy and Environment' and with that in mind we honor those leaders of excellence and further encourage growth and sustainability.

The Regional Clean Sea Organization and its members are fully and totally committed to serving nations and the environment since 1972. Our mutual aid concept is a true partnership of cooperation, knowledge sharing, and exchange of know how and technology transfer.

The Environmental Awards Ceremony will take place on the evening of **29th March 2010**, as part of a prestigious dinner that will host regional and international VIP's, dignitaries and prominent leaders of the industry. This will be a truly high level event, celebrating the importance of working towards the environmental goals committed to by the industry.
