

POST SHOW REPORT

“Global Partners for Energy and Environment” *Change & Challenges*

مؤتمر ومعرض البحار العربية OFFSHORE ARABIA CONFERENCE & EXHIBITION

29 - 31 MARCH 2010 | DUBAI | UNITED ARAB EMIRATES

Offshore Arabia Conference and Exhibition creates opportunities for challenging and enhancing the potentials of the future of the oil and gas industry, global markets and the planet's environment.

“Undoubtedly the conference is most important as it comes at a turning point after we have experienced the financial down turn and fluctuating oil price”

H.E. Dr. Rashid Ahmad Bin Fahad
Minister of Environment and Water

“Energy & Environment are essential for sustainable development, therefore we remain focused and committed to energy, environment, advanced technologies, renewable and sustainable development. Offshore Arabia comes at a time when global cooperation is most needed to facilitate global dialogue in managing energy for sustainable growth”

Khamis Juma Buamim
Chairman, Offshore Arabia 2010

78% of the visitors are determined to visit Offshore Arabia 2011

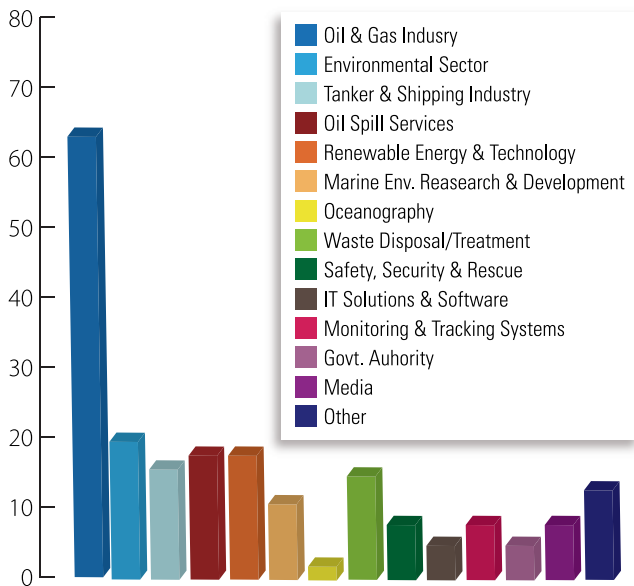

77% of the exhibitors are interested in exhibiting at Offshore Arabia 2011

81% of the participants rated the quality of the speakers and topics

Offshore Arabia Conference and Exhibition strengthened its position as the sector's leading trade fair

The 5th edition of Offshore Arabia Conference and Exhibition which was held from 29 – 31 March 2010 at the Dubai International Convention and Exhibition Centre closed with good results. Around **4200** trade visitors from **23** countries came to this three-day event to find out the latest in the industry from the exhibiting companies from **18** countries. The exhibition and the conference together provided a comprehensive overview of all areas in the oil and gas sector with a special focus on environment and renewable and sustainable energy. Based on the success of its earlier shows, Offshore Arabia has confirmed its importance once again with the success of this edition 2010.

Featured Sectors

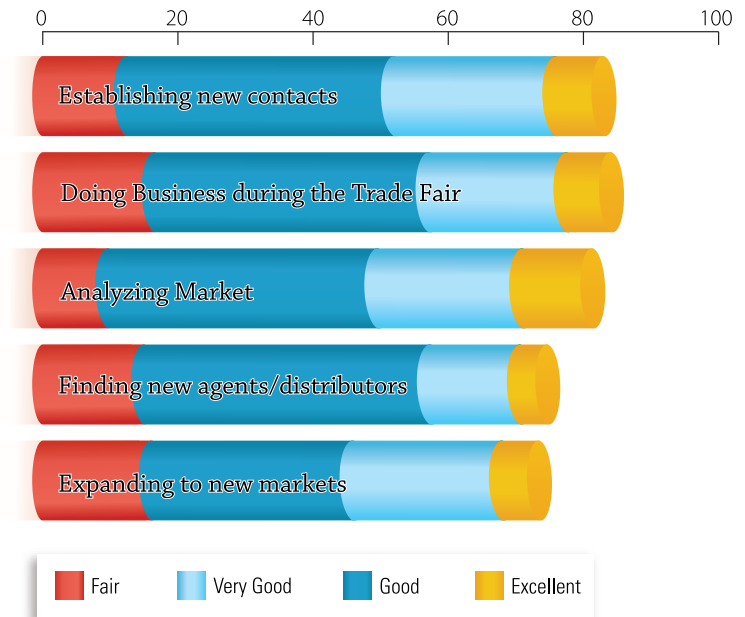

“The outcome of the conference and exhibition is a success for KOC. This event is useful to the company”

Mohamed Hussein

KOC's Deputy Board Chairman and Managing Director for Planning and Gas

Visitors feedback

“I would like to take this opportunity on behalf of the team to thank you for inviting us to Offshore Arabia conference and exhibition 2010. It enriched our knowledge and it was a pleasure for us to be part of it. We wish you and your respective organization all the best and we will always be keen to support your critical role in the maritime industry.”

Bader Al Awadhi

Project Manager – Special Projects, Dubai Maritime City - Visitor

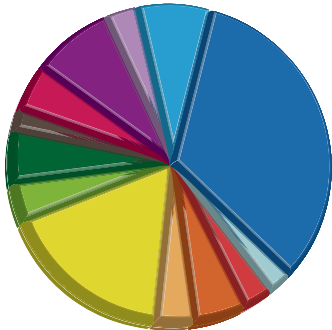

The event is organized jointly with Regional Clean Sea Organization (RECSO) and its members and supported by: renowned organizations like UAE Ministry of Water and Environment (MOEW), Organization of the Petroleum Exporting Countries (OPEC), Organization of Arab Petroleum Exporting Countries (OAPEC), Regional Organization for the Protection of the Marine Environment (ROPME), International Association of Drilling Contractors (IADC), The Regional Organization For The Conservation of the Environment of the Red Sea and the Gulf Of Aden (PERSGA), Dubai Municipality, United Nations Educational, Scientific and Cultural Organization (UNESCO), United Nations Environment Protection (UNEP), UN University.

“Thank you so much for the opportunity to be a part of Offshore Arabia 2010. It was a valuable experience again and many good discussions were had about the need and opportunity for cross-sectoral collaboration on the marine environmental issues of the region.”

Paul Holthus
Executive Director, World Ocean Council - **Speaker**
