The invoice must be itemized, clearly detailing each item in your consignment specifying the description of each item with its Individual Value and Weight. We also require separate Invoices for Temporary and Permanent goods. Goods under Permanent Import such as giveaways, brochures, consumables, gift items, etc – must be mentioned separately on a Separate Invoice detailing all the information as mentioned above. The same should also be packed separately as a physically separate/individual package. This is a must to ensure accurate calculation of Customs Duty during re-exportation.

The Commercial Invoice must clearly mention the Total Number of Packages, Total Gross Weight of the Consignment and the Total Value of the Goods. The packing details must tally the details mentioned on the Airway / Seaway / Truck way bill.

The same must also show the below declaration:

“We hereby guarantee that this is a true and correct invoice, and that the goods referred to are the origin, manufacture and production of (Country) ...”

As an addendum to your invoice you should declare all names and addresses of companies responsible for the manufacture of items within your consignment.

### HSCodeSummary –

Very Important: The invoice must clearly mention the HS Codes related to the actual items being shipped. In case of multiple HS Codes you will also need to provide us with a Data Sheet clearly mentioning the individual weight and value per HS Code applicable for each consignment.

For Land Freight consignments, all the items being shipped must have serial numbers clearly embossed on each item/piece and the same must also reflect in the commercial invoice. If the serial numbers are not properly embossed or differ to the declaration customs may not accept these markings in which case customs duties will apply. Importation basis Temporary import of goods arriving via Landfreight is totally up to the discretion of Border customs.

Failing to provide us with Original Documents fulfilling the above requirements in detail will invite Customs Fines, Excess Duty Assessment and delays with Customs Clearance, hence making it difficult and at times not possible for customs clearance.

Any Customs Fines and Excess Duty Assessments – caused due to incorrect/improper/missing documents will be billed to the respective Freight Agent/Client
